

Parents, Friends and Supporters of Central Dauphin Boys Lacrosse,

CD Boys Lacrosse, like any school sports program, is funded by the school district, and like most programs today that funding only covers the basics. Two coaches, Athletic Trainer support, field maintenance, ref fees and transportation... While these things are essential to our program, the needs of the players go far beyond the basics. Additional coaches and personnel, uniforms, equipment and activities are just a few of the necessary items. There are no additional monies from the school to cover these items. Most programs use fundraising to cover these additional expenses. CD Lax has a very active fund raising committee to spearhead this effort. Through your generosity we are quite successful in raising the funds needed to help maintain a quality program for our players.

Unfortunately, fundraising alone can't always raise enough capital for large expenditures. This season, as in the past, we are looking for sponsors to help offset the cost of the "team shirt". The players look forward to each season's shirt and wear them to express team unity.

The cost of these shirts is approximately \$600.00. If you or your business is able to provide all or a substantial portion of this cost, your company name will be featured on the sleeve in recognition of your valuable support. We welcome any amount you are able to provide.

Additionally, Coach Driscoll has asked for rebounders, which the team will use during practice. Each cost approximately \$250.00 and we are in need of one more.

If you can provide sponsorship, please contact Teresa Gardner at tcgrn6@aol.com or call 717-329-2658. Thank you for all the support you've provided in the past. Because of your continued efforts CD Boys Lacrosse will remain an exceptional program for our "laxers".

Sincerely,

The Fundraising Committee
