

## Central Dauphin High School Football Program

Our Mission is to advance the great winning tradition at Central Dauphin through the character development, academic development and physical development of each player in a way that enables them to reach their full potential while at Central Dauphin and in their lives after graduation.

**"It's MORE than just FOOTBALL!"**

### **JDRF "Walk for a Cure" Team - Ben's Friends Sunday, October 23, 2011 Hersheypark Stadium and Star Pavilion**

**Benjamin Mosey, #31** has been a Type 1 Diabetic since age 8. Every year since his diagnosis our family has participated in the JDRF "Walk for a Cure". This year it is being held on October 23, 2011 at the Hersheypark Stadium and Star Pavilion. It is a fun, family-friendly day with entertainment, food and activities.

We would love to have the **CD Rams family** join us in this worthy cause. Registration begins at 9:30 a.m. and the walk at 11:00 a.m. The length of the walk is 1.5 miles and is not strenuous. Every year we also like to get a team picture with those that join us. We usually try to do this around 10:30 before the actual walk. It would be great if those walking would wear their practice jersey or something green/white with CD on it.

Although one can register at the walk, JDRF encourages all to pre-register on their website in order to get a head count for refreshments. Once on to their site, look for the walk location, find team "Ben's Friends" and add your name. On the day of the walk you just need to sign in and hand in any donations.

If you are unable to walk but would still like to donate, it can be sent to Benjamin Mosey at 335 Yorkshire Drive, Harrisburg 17111. Please make checks out to JDRF and put "Ben's Friend's" on the memo line. If anyone has any questions, please feel free to contact us @ [mmosey@comcast.net](mailto:mmosey@comcast.net).

Thanks,

Benjamin Mosey and family
