Dear Parent,

Another season of Central Dauphin Cross Country is now under way. **The Track & Field and Cross Country (T&F & CC) Boosters** is an organization of parents and friends that support our athletes throughout the year, including cross country in the fall, indoor track in the winter, and track and field in the spring. Now is the time to think about becoming a member of the Booster Club. The Booster Club exists for one reason, to make the Track and Field, and/or Cross Country experience more enjoyable for our sons or daughters. Membership dues are only \$5.00 per adult. The membership year runs from September to August. Join now. All monies collected are used for the athletes and their programs. Also included is the 2011 Cross Country Athlete Donation Request. We ask that each athlete contribute \$35.00. If a family has two or more athletes the donation is \$25 per athlete. This will insure that the athlete receives free admission to the banquet scheduled for June.

Booster Club meetings are scheduled for the second Wednesday of each month at CD High School in the conference rooms just outside the office. These are great opportunities for your input. Please join us. For those of you who cannot attend meetings, we encourage you to become involved in other booster activities. There are many ways to participate and show your support. Please consider helping out with any committee or event that suits you.

Don't forget to check the school web site at [www.cdschools.org/cdhs](http://www.cdschools.org/cdhs) and you will find us listed under "Athletics" and "Cross Country." Information, meet results, meeting minutes, photos, and schedules are just some of the things that are included on the web page. There are links to the PanRam Invitational, Mid Penn Conference Meet and our photo gallery by John Gayman.

Please take a minute now and complete the attached membership application and join us in making sure our sons or daughters have a wonderful season. It is important for us to have your email address. Newsletters, meeting reminders and important information will be passed along this way.

Sincerely,

Leslie Kibathi
