CD Boys Soccer Playoffs News

There is a group of area coaches who observe HS student behavior at various soccer matches throughout the season and especially during the playoffs. They identify students who display good sportsmanship while supporting their team. Last night at the 2-0 PIAA playoff win against Souderton HS three Central Dauphin High School students were identified. Juniors Carly Norman, Morgan Gates, and Mackenzie Gates were selected as "Positive Peers" through displaying excellent sportsmanship supporting the RAMS at the 2-0 PIAA playoff win at Hersheypark Stadium last night. Great job girls!
