

HARRISON FENSTEMAKER MEMORIAL SCHOLARSHIP AWARD

On Saturday, September 15, 2018, Harrison Fenstemaker's life was tragically cut short by a drunk driver during his senior season. Harrison represented so much of what Central Dauphin Rams football is about, and it wasn't conditional on whether life and football were going well for him on a given day either. He was always that way. He was always Harrison.

When it came to the core values of the program – hard work, selflessness, and enthusiasm – Harrison exemplified these qualities in large measure. In his senior year, he posted some of the best numbers in the bench press and squat of any player in any year through sheer dedication and commitment. He also was someone who always put the team first no matter how difficult that was sometimes. Anyone who knew him would tell you that he had a spirit about him that made it more fun for everyone else, especially those closest to him. This is why the Harrison Fenstemaker Memorial Scholarship Award is given annually to the player who best exemplifies our core values of hard work, selflessness, and enthusiasm: because that's who Harrison was at *his* core.

Those of us who knew Harrison will never forget him. For the future generations of Rams who didn't have the privilege of knowing him like we did, this scholarship award will serve as a way to ensure that they, too, will know Harrison and who he was. Thanks to the generosity of the community and especially his parents, Keith and Tina, who made this award possible, those future generations of Rams will, indeed, know Harrison Fenstemaker. Just as we were better for having known him, future Rams players and coaches will be better for having known his story.
